Baht is converted into US\$ by the ASEAN-Japan Centre (Exchange rate: period average, IFS of IMF)

¹Total refers to total investment of all projects which have foreign equity participation (shown by registered capital amount) of one particular country/region or the sum of all foreign registered capital from more than two countries/regions of at least 10%.

²Since project of more than two countries/regions are added in each of its country/region, the total of cases and value do not necessarily add up.
