Ltd.</li> <li>- Mr. Wong Jeat Shyan, Chief Executive Officer, TalariaX Pte. Ltd.</li> </ul>	
Activities/Observation	<p>Four mission members participated in the ITpro Expo 2013 held from October 9 to 11, 2013 at the Tokyo Big Sight, where the latest information of Internet of Things (IoT) and Machine to Machine (M2M) technologies were introduced. Through the exchange of views and information with other exhibitors and visitors, the respective mission members from Singapore were able to build their own network with Japanese counterparts. Their participation in the fair first time would bring about collaboration in future, partly through the IoT Asia 2014 in Singapore next April.</p>
