

Mekong Design Selection

“Mekong Design Selection” exhibits the Good Design awarded products from Cambodia, Lao P.D.R., Myanmar and Vietnam (CLMV= Mekong regional countries), The special selection is supported by the Japan Institute of Design Promotion (JDP) and ASEAN-Japan Centre.

The Good Design Award supports design-oriented companies that were selected in the manner of the use of traditional materials, craftsmanship, and mode of production. Of the 16 CLMV companies that exhibited at the “interiorlifestyle Tokyo 2013” in June 2013, products of the following 7 companies were selected for the Good Design Award and exhibited at the Tokyo Midtown Design Hub.
