Next Round	IFFT/ Interior Lifestyle Living 2016 November 7 (Mon.) - 9 (Wed.) Tokyo Big Sight, East Hall
Observation	This is an exhibition of interior goods such as furniture, living-ware and sundries, themed on “Suggest the new lifestyle from Tokyo to the world,” and more than 80% of exhibitors were Japanese companies. The most interesting was the special settings of Japanese Inn (Ryokan) area, co-produced by young designers with varieties of “O-mo-te-na-shi” style showcased with their original products, such as rattan blind, illumination lamp etc.
