Session 2: ENVIRONMENT

New Business Opportunities and Creating Sustainable Socio-Economic Landscape in BIMP-EAGA

ASEAN-Japan Centre

ASEAN-Japan Centre (AJC) will host the second session of the BIMP-EAGA Symposium Series with the theme “Environment”, which is one of the five strategic pillars of BIMP-EAGA VISION 2025. The symposium series aims to provide both BIMP-EAGA and Japanese stakeholders with the opportunity to discuss and better understand the challenges as well as the business opportunities in the region.

Throughout the years, Japan has shown its support and commitment to the revitalization efforts in Brunei Darussalam-Indonesia-Malaysia-Philippines East ASEAN Growth Area (BIMP-EAGA) as part of ASEAN’s regional economic integration efforts.

We will hear from two speakers – firstly from Mr Bagani Fidel A. Evasco, the Regional Executive Director from the Department of Environment and the Deputy Chairperson of Natural Resources XI, Philippines-EAGA Environment Cluster. Secondly, Sumitomo Forestry will share their initiative of the large-scale industrial plantation in Kalimantan.

It is our hope that this webinar will be useful for your business endeavours in ASEAN.
