

ASEAN Update Seminar Series
 Indonesia's Economic Landscape:
 Japanese Companies amidst the Pandemic and Investment Trend
 after the Omnibus Law

ASEAN-Japan Centre

ASEAN-Japan Centre will host the ASEAN Update Seminar Series: "Indonesia's Economic Landscape: Japanese Companies amidst the Pandemic and Investment Trend after the Omnibus Law". Indonesia as a country is experiencing a surge in COVID cases and restrictions in mobility is further advised.

In this webinar, Mr. Minoru Nakazawa of JETRO office in Jakarta, will present the current industry trends of Japanese businesses in Indonesia, evaluate Indonesia as a Japanese business base and recommend strategies on how to upscale their businesses in Indonesia. This webinar will also explore potential markets and products for trade and investment in Indonesia even in the midst of the pandemic crisis.

It is our hope that this webinar will assist Japanese business people who are currently exploring trade and investment opportunities in Indonesia as well as research institutes and academics interested in Indonesia's current economic situation.
